

A gospel experience surrounded by prayer,  
small group conversation, and food  
all built upon a foundation of beauty,  
authentic humanity and accompaniment.

**The Goals of The Rescue Project:**

**Overwhelm ~ Surrender ~ Mobilize**

“From this point of view, we need a Church capable of walking at people’s side, of doing more than simply listening to them; a Church which accompanies them on their journey; a Church able to make sense of the ‘night’ contained in the flight of so many of our brothers and sisters from Jerusalem; a Church which realizes that the reasons why people leave also contain reasons why they can eventually return. But we need to know how to interpret, with courage, the larger picture. Jesus warmed the hearts of the disciples of Emmaus. **I would like all of us to ask ourselves today: are we still a Church capable of warming hearts? A Church capable of leading people back to Jerusalem? Of bringing them home?”**
